24th international Coating Symposium

November 5th + 6th, 2025

Dear industry professionals,

The international Coating Symposium has been a leading event in the coating and printing industry since the year 2000.

Speakers from industry, institutes and R&D will present the latest developments around Coating, Printing and Laminating and we will show trials in our R&D centre on site in Dormagen.

We are pleased to invite you to the 24th international Coating Symposium on **November 5th + 6th, 2025**.

Here you can get a small preview: [Symposium Video](#)

This year we will have an exclusive short course with our expert know-how.

Please let us know if you are interested in attending this event by filling out the online registration form no later than **October 24th, 2025**.

Detailed information can be found on our website. Please scan the attached QR Code with your mobile phone. [Here you can also register.](#)

We are looking forward to see you in November,
your Coatema Team

The talks will be held in English.
